

Short run before the “Show and Shine” June 7th 2014.

We will meet at the Dairy Queen at Riddell and Centennial in Orangeville. The Dairy Queen (John Lockyer) will open early for us. There is also a Tim's next door.

At 10.00am we will start by turning left off Centennial onto Riddell. At the next light we will turn right onto Townline. At Shaw's Creek we will turn left and follow this across 124 to the flashing light at Bush Street where we turn left. On the first stretch of this Shaw's Creek road before 124 there are some small pot-holes and one big one on the right side. (It could swallow a small Triumph.)

We turn right at the end of Bush street and go onto main which becomes Mississauga Road. We take this all the way to the next light at King Street where we turn right and go to Terra Cotta.

Go through Terra Cotta . The road turns left up a hill where we turn right onto Old School Road. Follow this to Glen Williams. We reach a “T” Junction where we turn right. There is an English Pub (The Cooper) opposite. Follow this road past the Preston Grocery store . It becomes Wildwood and winds up a hill then through two stop signs. Keep going straight. The road then winds left and arrives at a “Give Way” sign. Turn right then very soon at the stop sign right again onto Hwy 7.

Go straight at the Trafalgar Road lights then up the long hill where Hwy 7 bears left. Stay to the right on Trafalgar Road and go through Ballinafad. Follow to the lights at Brisbane. Go straight through the lights then up the first hill. Just over the hill-top turn right on 17th side-road. At the end it turns right then leads to a light. Go straight ahead into the Tim's for a rest break.

We leave Tim's by going back to 124, turn right then go to the next light where we turn left onto Alton Main Street. Go straight through Alton then slowly over the bridge and the two speed bumps. Up the hill you will see some of the nicest lilacs in the area, which should be in bloom. Watch out for the swamp the gets close to the road in one place on the right . This road leads into Town-line where we turn right. Turn right at the first light onto the By-Pass. Continue to Willoughby Road (second light) where we turn left. This road leads to the Legion which is on your right.

Register when we get bacfk. (\$5.00 per car) Others, who do not go on the run can meet us at the Legion at 11.30.
